

Press Release

Douglas has today released its results for the three months to 31 December 2016

Düsseldorf, February 22, 2017. Douglas, the European market leader in selective beauty care, has released its results for the three months to 31 December 2016 to the market at 08:00 CET today.

The results release and accompanying presentation are available through the Investor Relations **website** (<http://ir.douglas.de/>).

Please use this **link** to participate in the Webcast that will be held to discuss the results at 14:00 CET today (also available on our **website**).

About Douglas

With about 1,700 stores in 18 European countries, Douglas is the selective beauty care market leader in Europe. Its multi-channel offering – which is well integrated across the stores, online shop and mobile application – as well as its continually updated offering of more than 30,000 products make Douglas the frontrunner in the resilient selective beauty market. Supported by its about 18,000 highly qualified and committed employees, Douglas generated annual sales of about EUR 2.7 billion in the financial year 2015/2016.
